

# RIDGID®

## SECURE JOBSITE STORAGE

### This Box kept it's secrets

Recessed and reinforced  
lock housing

3 Point Latch system

This RIDGID® chest protected €8.000 worth of equipment that was locked inside.

RIDGID® Jobsite Storage Products keep your tools and equipment safe.

For contractors and trade professionals worldwide, there really is no other choice.

Demand the RIDGID® brand.

Featuring 'Watchman IV Lock' system, with recessed lock housing, preventing bolt cutter break-ins and a three latch, dead bolt style locking for ultimate security.

RIDGID® JOBSITE STORAGE products protect your valuable tools and equipment against pry ins. They also offer easy access, better organisation, mobility and versatility to store your equipment on site, at the work place or on your open trailer and van.
