

# ASzx 648-1

Angle Drill up to 9/16 in

Order number:: 7 203 04 00 23 0

High-performance rod-shaped angle drill for working in difficult-to-reach areas.

- High torque motor with excellent speed stability for steady drilling progress.
- MT 1 holder for universal tool use with high concentricity for optimum results.
- Extremely compact drive head for varied applications.
- Barrel-type motor housing with aluminum support.
- Small width across corners.
- Superb service life.
- Feed force can be applied via feed screw if required.
- available in 230 V only

# ASzx 648-1

Angle Drill up to 9/16 in

Order number:: 7 203 04 00 23 0

## Technical data

---

Power consumption	740 Watts
Power output	460 Watts
Full load speed	360 rpm
No load speed	600 rpm
Cable with plug	8.2 ft
Weight according to EPTA	7.9 lbs
Capacity in steel Ø	9/16 in
Capacity in light alloy Ø	3/4 in
Cone at drill shaft	MT 1

## Price includes:

---

1 handle
